PROJECT # 23-P004

PROJECT NAME: Coppa Di Gelato Artisan Dairy Facility

Business/Organization: Coppa Di Gelato Artisan Dairy

County: Middlesex

Priority Categories Addressed: Food Processing

Loan Amount: \$250,000

Board-Approval Date: May 31, 2011

Project Summary: This project will expand the production capacity of the Coppa di Gelato manufacturing facility in Komoka, Ontario. Coppa di Gelato produces, distributes and retails artisan styled gelato and sorbetto.

Regional Economic Impacts & Benefits: 17 Full time positions will be created. The new operation will require skilled labourers. It will create opportunities for farmers and related agri-food supply chains.

Market Impact Assessment: 17 new agribusiness jobs will be created in Middlesex county. The owners will utilize 'fresh' product from within the Sand Plains region for the production of various flavours.
